It is a large set of recordings with background music, in which Proctor guides him in his "picture room" and explores the concept of abundance. As soon as you finish your meditation, you will be in a calm and quiet state of mind. You and I are God's highest form of creation, and we have the power to change anything. You and I can't do anything to change what's happening outside of us. Thanks to his appearance in The Secret, Bob Proctor is recognized worldwide as one of the best teachers of Law of Attraction, and has a wealth of information on how you can use this law to develop any area of your life. However, we can change our perception by controlling what is happening inside us. This is similar to Abraham Hicks, 5 Steps to Alignment, in which your desire already exists in your vortex, and it's up to you to change your energy to achieve it! Learn more about Bob Proctor's teachings in the following posts: Relax your mind and heal your body with this short and comforting guided meditation by Bob Proctor. You can also magnify the power of this meditation by repeating these statements for money and wealth in your practice. We can turn something that most people perceive as bad into something spectacular. However, if you look at life from within, things can look very, very good. This is because the key to developing a mindset of abundance and eliminating scarcity from your life is to create new beliefs about abundance and prosperity. Bob Proctor's Law of Attraction The principles of this meditation are based on the Law of Attraction.
